

KLO WEEKLY MEMO

March 30 - April 3, 2026

Dear Students, Parents, Guardians and Caregivers,

Well, I don't believe we were hoping for two inch snowflakes the day before Spring Break but we know the land can definitely use the precipitation. We look forward to snow in the hills and warmer temperatures in Kelowna next week.

Our KLO learners have been working hard on their academic growth and are definitely ready for a well-deserved break. We are thankful for the emphasis on belonging and for the many positive contributions to our learning community from students, staff and families.

There has been a lot of communication coming from the school over the last couple of weeks. Please make sure your child has completed their course requests for next year and that they have also completed their Discovery Day selections for Term 3. Also, if you have not already done so, be sure to take some time to go over your child's Term 2 Written Learning Update to get a greater understanding of how they are doing in their courses.

Many of our grade seven classes have been working on their [CARE projects](#), and we have seen a large number of community experts coming into KLO to share their expertise in the many areas students are exploring.

Wishing our KLO families all the best over the next couple of weeks and we look forward to welcoming our students back on Monday, March 30th. Have a wonderful Spring Break, KLO.

Sincerely,
Nathen Elliott
