

# KLO WEEKLY MEMO

February 2 - 6, 2026

Dear Students, Parents, Guardians and Caregivers,

Thank you to our KLO PAC for serving up a taco bowl lunch for our entire school community on Tuesday. Students and staff were grateful for this delicious meal. We also want to thank Safeway and Save on Foods, as well as our staff and students, for their contributions to this initiative. It really takes a village to feed 800 people in under an hour. Way to go, KLO!

Students have been extracting strawberry DNA in some of our science labs and learning about ancient civilizations in some of our humanities courses. We also welcomed the Sexual Health Education team to KLO this week, as they take the lead on this important learning for all of our KLO students. Be sure to take some time and check in with your child about what has been going on for them at school. This is always a great way to connect their learning to what's going on in their lives outside of school.

Round two of Discovery is now underway, as students had their first session on Thursday. Round two will run on Thursday mornings for the next six weeks. It is always wonderful to see multi-grade learning in areas of passion and high interest.

February is a busy month, as we honour Black History month, National Inclusive Education month and Human Rights month. We will also celebrate **Pink Shirt** Day on February 25. Check out the Memo if you would like to purchase a pink shirt for your child. Have a wonderful weekend, KLO.

Sincerely,  
Nathen Elliott

## **DRUMHELLER - Attention Grade 8 Parent/Guardians**

Please see the following information regarding KLO's annual trip to the Royal Tyrrell Museum in Drumheller, AB.

**When:** Tuesday, May 5, 2026 - Thursday, May 7, 2026

**Mandatory Parent Meeting:** **February 3rd, 6:00pm** in the Library Learning Commons

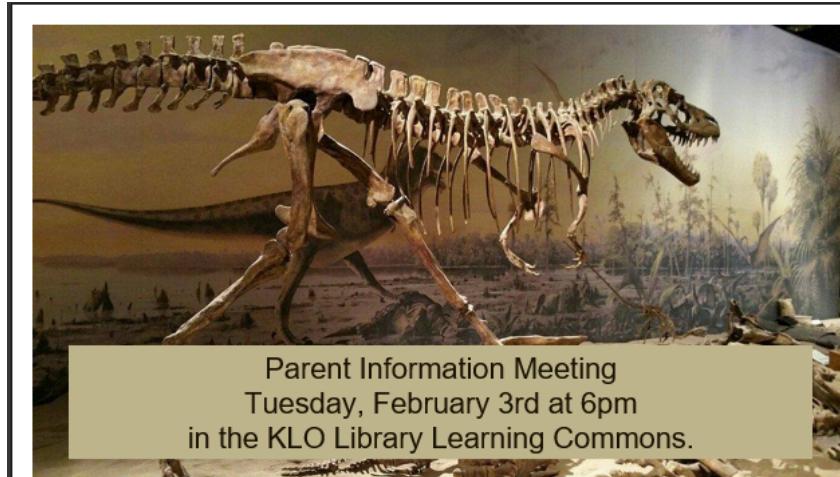

**Who can attend:** All grade 8 students are invited to apply. Space is limited to 32 students.

**Activities:** To begin, we will drive to Calgary and visit an Escape Room to exercise our skills of observation, critical thinking, creative thinking, and teamwork. The next day, we will move on to the Royal Tyrrell Museum in Drumheller and enjoy a day-long program learning about the history of life on Earth, dinosaurs, fossils, and the ever-changing conditions of our planet. We will "sleep with the dinosaurs" overnight in the museum and have another morning session before heading home. We will stop for brief food stops in Banff and Revelstoke on the way back.

**Cost:** The projected cost for students to attend this trip is \$480, but it is subject to change.

If you are interested in participating: Students can join the Google Classroom "Drumheller 2026" (class code qdvwgoe2) for more details and access to the application. The site will be updated with the application after the parent meeting.

Sincerely,  
Mr. Racine and Mrs. Green

### **Drumheller Trip**

## **2026/2027 Budget Presentation**

The public presentation explaining how the District's budget is established will take place at the Central Okanagan Parent Advisory Council (COPAC) meeting on **Monday, February 2, 2026**, at 6:30 pm by Zoom. Please request the zoom link from the COPAC President ([copac.president@sd23.bc.ca](mailto:copac.president@sd23.bc.ca)).

**We encourage all those interested in learning more about School District No. 23 (Central Okanagan)'s 2026/2027 budget and how to provide input to participate in this information meeting.**

At the December 10, 2025 Public Board Meeting, the Board of Education approved the initial enrollment application dates for the 2026/2027 school year as February 2, 2026 at 7:00 am through to March 13, 2026. The closing date of enrollment applications, to apply the Board's enrollment priorities as established in Board Regulations 405R – Student Placement (Regulations) was set as August 27, 2026. Enrollment application information will be advertised and distributed through local newspapers, District and school websites, newsletters, and at school PAC meetings.

## **Secondary School Information Sessions**

Two secondary school information sessions are being held as noted below. Please contact the secondary school directly for further information/questions.

## Pink Shirt Day - February 25

Pink Shirt Day is coming up at the end of the month - **February 25th**. If you would like to purchase items for Pink Shirt Day, consider supporting the SD23 WHEELS Transition to Employment Program. Your orders go to support the development of employment related skills for participants of the WHEELS Transition to Employment Program. With these skills, participants are better ready to gain and maintain meaningful employment upon graduation.

Purchase on School Cash Online ([HERE](#)). Make sure you include your child's name at the bottom of the form.

## **GRADE 7 PARENT/GUARDIANS - STUDENT LEARNING SURVEY**

Please take a few minutes to complete the British Columbia Ministry of Education Student Learning Survey (SLS). The SLS provides feedback on the implementation of the curriculum changes, learning environment, student wellness and satisfaction, student belonging and engagement, and career preparation. The SLS is the only source of province-wide information about students' learning experiences through the perspectives of students, parents, guardians/caregivers, and school staff. Schools and districts use the SLS to make informed decisions around long-term planning and goal-setting, and in providing individual students personalized support.

[HERE](#) is the link to the survey.

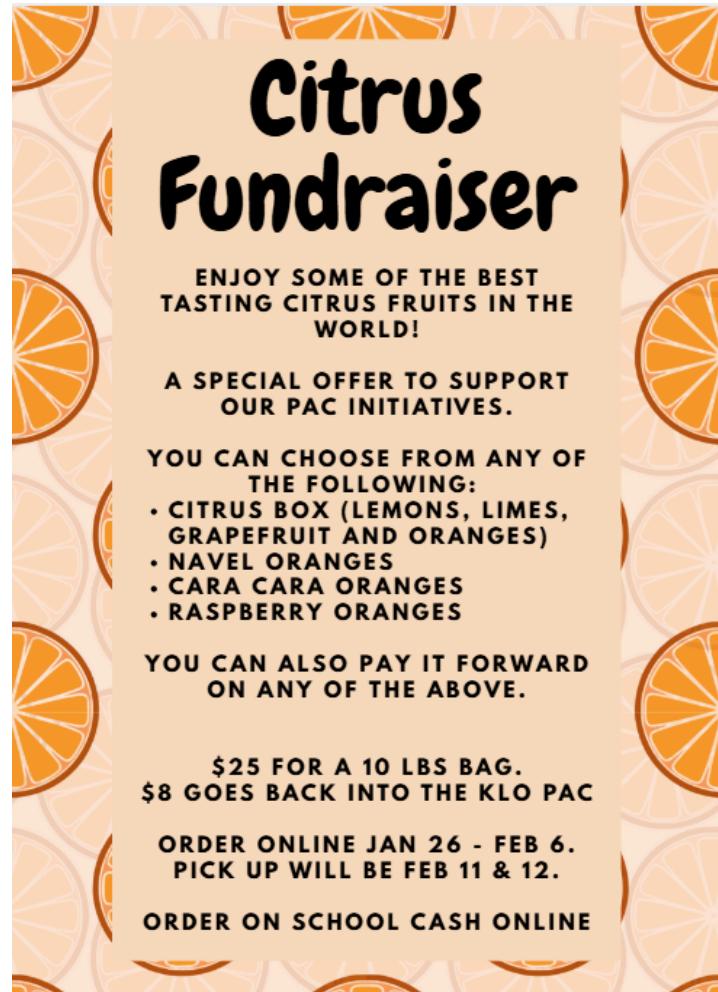

## **PARENT ADVISORY COMMITTEE (PAC)**

The purpose of the KLO PAC is to promote and improve the quality of education and the well being of students at KLO Middle School. Our PAC helps decide where to allocate the gaming funds to specific needs within our school. They also run school events and fundraisers to help improve the KLO community. If you have any questions or would like to add items to upcoming PAC agendas, please email [Klo.PacPresident@sd23.bc.ca](mailto:Klo.PacPresident@sd23.bc.ca).

**The next PAC Meeting is **February 18, 2026 at 6:30 PM in the KLO Library.****

## **CARE: Climate Action Ripple Effect – Community Mentors Needed**

Do you care about kids, climate, and your community? We need you! We are looking for passionate community mentors to work alongside and support small teams of middle and secondary students as they design real-world solutions to local climate challenges. No matter your skills, background, or area of interest, we can match you with a CARE student team in your community. Your guidance can help empower young innovators and make a meaningful difference. See the attached poster for full details.

The poster is a recruitment document for CARE Climate Action Ripple Effect. It features a blue header with the CARE logo and the text 'CLIMATE ACTION RIPPLE EFFECT'. Below this is a large, bold, italicized title 'Do you CARE about kids and climate?'. The main body is divided into two columns: 'Become a Mentor!' on the left and 'Support local middle + high school students designing real climate solutions in our community.' on the right. A speech bubble on the left contains a testimonial from Jude Brunt. The right side lists requirements for mentors and provides information about the program's impact. At the bottom, there are contact details, a 'SIGN UP TO VOLUNTEER' call-to-action, and a QR code.

**CARE CLIMATE ACTION RIPPLE EFFECT**

# ***Do you CARE about kids and climate?***

**Become a Mentor!**

"Mentoring a grade 11 student as part of the CARE program was one of the most rewarding things I've done. I watched him bring his idea to life while building skills in planning, collaboration, and community outreach. It's inspiring to see young people leading climate action – and to know I played a small part."

Jude Brunt  
Community Engagement, Purpl  
Board Director, Habitat for Humanity

**Support local middle + high school students designing real climate solutions in our community.**

- 10-30 hours over 3 months (Feb–May)
- Support youth with your diverse experience + passion – from carpentry to caregiving to tech to entrepreneurship to art and beyond
- No teaching experience needed
- Help turn climate anxiety into climate action

CARE is a practical, hands-on student and community education and engagement program delivered in Vernon and Central Okanagan school districts. Students explore and create real-world climate solutions that support local and global climate goals.

To support their learning, CARE matches each student team with a community mentor. **THAT'S WHERE YOU COME IN!**

**83% of CARE Mentors** felt more positive about our future after volunteering with young people!
