

# KLO WEEKLY MEMO

February 9 - 13, 2026

Dear Students, Parents, Guardians and Caregivers,

It was an exciting week for our grade 9 students as they have officially started the transition process to secondary school. If you have a child that is in grade 9, please make sure you discuss course selections and be sure to attend the upcoming parent-information evening/s. See *Upcoming Events* below for the details. Please note that being a KLO student does not automatically enroll you with KSS. All student placements are based on [catchment areas](#). In order to ensure a smooth transition to secondary school, please make sure we have accurate documentation of your current address.

Gary Chapman and Ross Campbell explain in their book, *The 5 Love Languages of Children*, that children, like adults, express and understand love in different ways. When parents “speak” their child’s primary language consistently, it nurtures emotional security, cooperation and healthy development. Encouraging words of affirmation, quality time focused, undivided attention, thoughtful symbolic gifts, physical touch and positive acts of service are all great ways to build positive connections with our children. Nothing wrong with providing a little extra love around Valentine’s Day 💕

Throughout February, we continue to honour Black History month, National Inclusive Education and Human Rights. We will also celebrate **Pink Shirt** Day on February 25. Check out the Memo below if you would like to purchase a pink shirt for your child. Have a wonderful weekend, KLO.

Sincerely,  
Nathen Elliott
